parties and at

events greenstreet

GreenStreet is passionate about parties, because we are one. It is rare that a local restaurant remains a viable presence in a community for over three decades - we have.

It is rare that a restaurant possesses a commendable trifecta: incredible food, consistent and knowledgeable waitstaff, and a spacious, ambient floor plan - we do.

And it is rare that a restaurant is able to provide a meeting space for both smaller, intimate parties of less than 20 people and also for bigger events with more than 50 attendees - we can.

Like our philosophy to always serve good food, whether at breakfast, lunch or dinner, it is also our philosophy to plan a perfect event for you regardless of the time of day you wish to meet or celebrate.

Whether you plan on having a business meeting during lunch or a bridal shower under the stars in our outdoor lounge, your experience will be unique and positive.

Our venue options are as varied as the people we serve on a daily basis.

Our indoor dining room allows for a sit down set up of **60**.

Our patio space allows for **140**.

Our outdoor lounge area allows for a casual meeting space of **60**.

cuisine

We already mentioned we thrive on being a **rarity** which is why we are especially committed to making your party or event particularly unique.

We will be happy to assist you with this **process**; we are passionate about our menus and are very familiar with selecting cuisine and cocktail choices based on specific needs and wants.

We will provide you with both our **lunch and dinner menus** and you will tell us the items that sound like they would be the best for your party.

policies and procedures

To ensure proper planning, execution, and success of your party, GreenStreet requires a written agreement signed by both you and our event director.

We kindly request that you confirm the number of guests attending as you will be charged based on the number of guests that is specified in the agreement. If more guests attend, you will be expected to cover additional charges.

A 50% deposit is required at time of agreement to hold the reservation date. The remaining balance plus 18% gratuity will be due at time of the event.

Cancellations are accepted two weeks prior to the event with a \$400 cancellation fee. Any cancellation that occurs less than two weeks before your event will result in GreenStreet keeping the initial 50% deposit. Our event coordinator will be happy to further articulate and clarify these terms and conditions.
